Dear Friends and Family,

We are back from our three and half month journey to Haiti with a lot to share with you all. We had an amazing journey and cannot wait to share all we've done and learned with each of you individually! For those of you who have not heard, we are expecting our 1st child this September and have decided to return to Haiti this fall to continue our work with Sonlight. Our new family member is expected during the month of September, which places our return to Haiti at the beginning of November.

Haiti is a place with both scenic beauty and extreme poverty. The people there are extremely generous and warm, but they lack the basic necessities that many of us take for granted: clean water, electricity, food, employment, education, and access to true Christian faith. Sonlight's mission is to educate the people of Haiti with a Biblical worldview, so that they may redeem Haiti in every way possible. We both fell in love with the mission and work of Sonlight, and so we both felt the Lord leading us to future work with Sonlight. On our return to Haiti, Kyle will be once again be teaching at the Bible College, but Lorraine will be teaching 4th Grade, both in which we are very excited about.

We have committed to serve at Sonlight for approximately 2 years, and once again we will be needing prayer and financial support to make this happen! We want and need you to be a part of this important endeavor with us. We need those willing to pray on a regular basis. But we also need financial support. To be able to participate in this ministry, we must raise about \$2,500 a month, which includes everything for Lorraine, Kyle, and our new baby. We are humbly asking our churches, our friends, and our family members, who can, to make a monetary contribution starting as soon as possible. We would love for you and your family to consider supporting us monthly. If we had 50 supporters commit to giving \$50 a month, our needs would be met. Although, any contribution you can make will be appreciated and used, and so there is no gift too large or small.

Please pray about your partnership with us in this ministry for God, and respond as soon as possible. We pray that together we may take part in Colossians 1:28, "Teaching everyone with all wisdom, so that we may present everyone PERFECT before Christ."

Sincerely yours,

Kyle and Lorraine Jones
