Dear Friends & Family:

We are back from our first *full* year in Haiti as missionaries with Sonlight Ministries. We had an amazing journey and cannot wait to share all we've done and learned with each of you individually! For those of you who have not heard, we had our first child last September and had a wonderful year adjusting with Micah in Haiti. We are heading back to Haiti in August to start our second full-year with Sonlight and continue teaching and building relationships with our Haitian students and friends.

Haiti is a place with both scenic beauty and extreme poverty. The people there are extremely generous and warm, but they lack the basic necessities that many of us take for granted: clean water, electricity, food, employment, education, and access to true Christian faith. Sonlight's mission is to educate the people of Haiti with a Biblical worldview, so that they may redeem Haiti in every way possible. We both fell in love with the mission and work of Sonlight, and so we both felt the Lord leading us to future work with Sonlight. On our return to Haiti, Kyle will be once again be teaching at the Bible College, but Lorraine will be teaching 2nd Grade, both in which we are very excited about.

We have committed to serve at Sonlight for approximately 1 more year, and once again we will be needing prayer and financial support to make this happen! We want and need you to be a part of this important endeavor with us. We need those willing to pray on a regular basis. But we also need financial support. To be able to participate in this ministry, we must raise about \$3,150 a month, which includes everything for Lorraine, Kyle, and our new baby, Micah. We are humbly asking our churches, our friends, and our family members, who can, to make a monetary contribution starting as soon as possible. We would love for you and your family to consider supporting us monthly. If we had 63 supporters commit to giving \$50 a month, our needs would be met. Although, any contribution you can make will be appreciated and used, and so there is no gift too large or small.

Please pray about your partnership with us in this ministry for God, and respond as soon as possible. We pray that together we may take part in Colossians 1:28, "Teaching everyone with all wisdom, so that we may present everyone PERFECT before Christ."

With Love,

Kyle, Lorraine and Micah Jones
