It's Been a Busy Fall For The Jones

Keeping our normal pace of craziness, this year has flown by; but not without its joys and its dramas. The last two months specifically have seemed to go by quicker than we can actually keep up with. November was a month which saw a lot of power outages and some

sickness; but it also saw some beautiful connections established with students. Overall, though, we must say that this was our best semester that we have experienced at Sonlight. We were both in stride, as far as our teaching was concerned, and we both felt

enormously comfortable with our surroundings. Each day, month, and year is certainly a gift from God, and especially when he allows us to work in such an amazing way to spread his kingdom and bring hope and life to those who desperately need it.

CHRISTMAS PROGRAM

Christmas Program 2009

One of the most important things that Sonlight does all year is the Christmas Program. So many hours of planning, labor, and practice, go into making the Christmas program a success each year; and each year everyone is truly rewarded with the outcome.

The Christmas Program is rewarding for many reasons, but none greater than the opportunity it gives our students to share the gospel to our entire community. Each year the program is held outside in front of our school that way more people will have the opportunity to experience it. Granted a large majority of seats are taken by our students and their

families, but there are still a vast majority of people from our community who come to see what it is all about. There are usually even hundreds of people outside of our gates looking in through our fences to watch the program. Consequently, the opportunity is great to share the gospel and plant seeds in many of our students' parents, and many others from our city and neighborhood.

As a teacher, it is beautiful to see how important the program is to the students! The week or so before the program the one request of the students is to practice their songs. The Christmas program provides the opportunity for every student to present and proclaim to all that "Jesus is the Reason For the Season," and by doing this they become little preachers, evangelists, and missionaries.

THE CHRISTMAS PROGRAM PROVIDES THE OPPORTUNITY FOR EVERY STUDENT TO PRESENT AND PROCLAIM TO ALL THAT "JESUS IS THE REASON FOR THE SEASON..."

COLLEGE STUDENT)
5. OUR STUDENTS TO BE
TRANSFORMED BY JESUS
6. PROTECTION FROM EVIL
AND SPIRITUAL
OPPRESSION

We Have News... We're Pregnant

I know that many of you have already heard the news, but for those of you who aren't connected to us on Facebook we just wanted to tell you that we are expecting our second child.

Being a parent has so far been a great adventure. We have just loved watching Micah grow, develop, and change, and watch ourselves grow, develop, and change alongside him. We are truly blessed to have the privilege to be parents, and are now blessed two-fold.

The due date for the new baby is May 8th, which is only 8 days from Kyle's birthday; and so who knows, we may have two April 30th birthdays in our

family. With the coming of the baby in the month of May, this means that we will need to come back to the states at least a month before to be ready to have the baby. Unfortunately, this means that we will not be able to finish this school year teaching. God has always had his way in surprising us and keeping us on our toes, and so although we planned on completing a full year teaching, God had other plans.

We are both super excited, though! We know that things will only become more challenging with two babies as opposed to one, but we know they will also be twice as blessed! Please pray for our coming addition!

SUNSET ON THE
SCHOOL ROOF

THANK YOU

Well, as always we just want to say a big THANK YOU! We couldn't do what we do here in Haiti without the partnering that each and every one of you do with us through prayer and through your giving. We know that economically things haven't been very good this last year, and yet so many of you remained faithful to us, and for those of you who couldn't financially, you remained faithful through prayer. This is something deeply impacting to us and we are truly indebted. THANK YOU!
